**CONSOLIDATED CHARITIES CAMPAIGN**

1. The 1955-1956 Consolidated Charities Campaign was most successful. The total pledge of \$101,177.19 is about 50 percent more than the total contributed last year in the regular individual campaigns conducted for various charities. Further, although the expected loss in a pledge drive is about 4 percent, only about 1 percent of our pledges are now unpaid.

2. The Committee has distributed cash on hand to the designated beneficiary organizations, as listed below, on the basis of allocations indicated by our contributors and a proportionate distribution of undesignated contributions. Campaign expenses, paid from undesignated contributions, amounted to \$118.55 representing an insurance premium to protect cash contributions and the manufacture of certificates and "Oscars."
